Condor Airline has been flying its guests since 1956 to the most beautiful holiday destinations in the world. The traditional airline is part of Thomas Cook Group Airlines. As one of Europe's leading holiday airlines, the airline consists of Thomas Cook Airlines UK, Thomas Cook Airlines Scandinavia and Condor. In the spring of 2018, the group will be expanded to the newly founded sister airline Thomas Cook Airlines Balearics on Palma de Mallorca. The airlines carry annually 18.5 million passengers to more than 160 dream destinations. They generate a total turnover of 3.2 billion pounds. The fleet includes 100 aircraft. Around 9,000 employees work passionately to give passengers a perfect start to their holidays and become the most popular holiday plane in Europe.
